Defendant

Opposition No. 91213527 (Parent)  
Cancellation No. 92059629  
Cancellation No. 92059455

DEFENDANT'S FIRST NOTICE OF RELIANCE

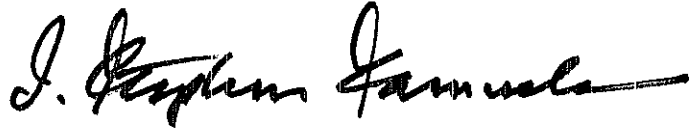

Please take notice that, pursuant to Rule 2.122(e) of the *Trademark Rules of Practice*, Defendant, Greater Omaha Packing Co., Inc., hereby makes of record and will rely upon the following 118 registrations and applications, copies of which are attached hereto.

Attached is a list of 118 registrations and applications, both live and dead, each of which contains a disclaimer of the geographically descriptive name of the city OMAHA.

In addition to the list, attached are 118 copies of the listed registrations and applications, which copies have been printed out from the PTO's electronic database records.

The relevance of the 118 copies of the listed registrations and applications is to show that a large number of entities have acted to disclaim and not claim any exclusive rights in the city name OMAHA because of its geographically descriptive nature. This is relevant evidence that the word OMAHA is not a distinctive or protectable portion of any trademark.

Respectfully submitted,

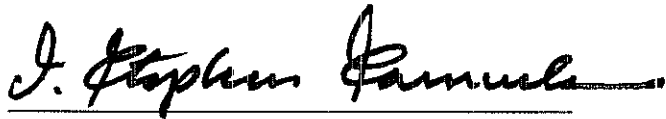

February 24, 2016

In a circle around the seal are the words "Omaha Police Department" and underneath the circle containing these words is the number 911. The stippling in the drawing is for shading purposes.
